Welcome to Coastal Dermatology office

Please bring the **COMPLETED** forms with you on the day of your appointment along with your **insurance card(s)**. This will help to avoid delay and possible rescheduling. For patients with insurance co-payments, please be prepared to pay at the time of your appointment.

In addition to the forms you complete, you will be asked to sign a HIPPA and an arbitration form at the time of your visit.

For patients **without** insurance, payment is required at time of visit.

Should you have any questions or need to reschedule your appointment, please call our office.

We offer the convenience of an automatic payment plan for your outstanding balances with a credit card on file.

We look forward to seeing you.

Thank you

Coastal Dermatology Staff
